Recognition

Rockwell Automation is pleased to announce

Automatismes Girona

A Rockwell Automation Solutions Provider.

On June 1st 2010, **Automatismes Girona** has become a Rockwell Automation Solution Provider and will benefit from dedicated technical & project support from Rockwell Automation in the successful execution of Automation projects.

The community of Rockwell Automation Solution Providers ensures that through loyal partnership projects are executed according to world class industry standards. The Solution Providers are companies with a healthy financial background and are recognized globally by Rockwell Automation.

Solution Providers are partners which have proven their loyalty to both customers and Rockwell Automation over several years and provide domain expertise to the industry and recommended by large End Users.

Automatismes Girona has given repeatable proof on delivering quality projects in the industry using Rockwell Automation technology.
